## 2. PICK YOUR OWN SPONSORSHIP FOR 2021

In the midst of the COVID-19 pandemic, the ongoing economic crisis and social upheaval, ASA has launched Pick Your Own Sponsorship to respond to the significant financial needs of some of our members. It is also an effort to keep the association strong during a time when ASA's mission to serve sociologists in their work, advance sociology as a science and profession, and promote the contributions and use of sociology to society could not be more urgent. Take a sponsorship if you need one, give a sponsorship if you can. In the words of 2021 ASA President Aldon Morris, "When we pull together, we will win."

Please circle your choice from option 1-7:

1	2	3	4	5	6	7
I'll take a 30% sponsorship	I'll take a 20% sponsorship	I'll take a 10% sponsorship	No thanks, I'm just going to pay my dues	I'll give 10% extra to provide sponsorships	I'll give 20% extra to provide sponsorships	I'll give 30% extra to provide sponsorships

Please calculate the amount to subtract or add to your membership dues and write it in Box B.

**B. SUBTRACT(ADD) THIS AMOUNT TO MY DUES.....\$**  **B**

### 3. JOURNALS

As a member of ASA, you automatically receive on-line access to ASA journals when you log into the ASA website. ASA publishes 10 journals:

**Disability Services:** Check here to receive information on disability services at the Annual Meeting and other ASA events

## 6. DEMOGRAPHIC INFORMATION - please log in at [www.asanet.org](http://www.asanet.org)

To update your demographic information, please log in to the ASA homepage and complete the "Member Information" form in the ASA Portal. ASA is committed to being responsive to the needs and preferences of members. The questions on the form are designed to help us get to know you, including what you value about membership, if you have a social media presence you'd like to share with other sociologists, your areas of sociological interest, and your demographic characteristics. It should take no longer than 5 minutes to complete the form. Thanks for helping us strengthen the association by taking the time to respond.

## 7. CODE OF ETHICS

The American Sociological Association's Code of Ethics (<https://www.asanet.org/code-ethics>) sets forth the principles and ethical standards that underlie sociologists' professional responsibilities and conduct. These principles and standards constitute normative statements for sociologists and provide guidance on issues that sociologists may encounter in their professional lives.

**By submitting this form with payment for membership in the ASA, I indicate my agreement to uphold both the general principles and specific ethical standards delineated in the ASA Code of Ethics.**

## 8. PAYMENT
